

General Hunting Regulations
All Minnesota State regulations pertaining to hunting and trapping will be enforced. You may only hunt and trap in the areas specified in this brochure during open state seasons. Each activity may be subject to refuge specific regulations.

Some areas have been posted in the field to protect buildings, private property or critical habitat areas. Please respect any signed area you encounter in the field.

The possession of alcohol while hunting is prohibited.

Gas or electric boat motors are prohibited on the refuge.

It is unlawful to drive a metal object into a tree or to hunt from a tree in which a metal object has been driven. Screw-in steps are prohibited.

All stands must be removed from the refuge at the end of each day. It is unlawful to hunt from a permanent stand.

The distribution of bait and hunting over bait, including salt licks, mineral blocks or any chemical substance applied to the ground or vegetation is prohibited on National Wildlife Refuge Units.

No motorized vehicles are allowed within the hunting units except at designated parking areas.

No hunting on, across or within 50 feet of any road, parking lot or marked trail.

The use or possession of center fire rifles, pistols or air guns is prohibited on the refuge.

Waterfowl Hunting will be held in accordance with all state and federal hunting regulations and seasons.
